

Adaptive Clothing at a Glance

Everyday clothing, redesigned so getting dressed isn't the hard part.

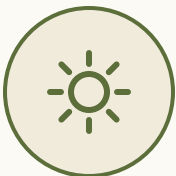

Access built in

Discreet snaps, zips, and port & drain openings where they're needed.

Dress independently

Less reach, less effort — designed so people can dress themselves.

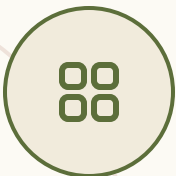

Comfort through long days

Soft, breathable fabrics for sessions, stays, and slow recovery days.

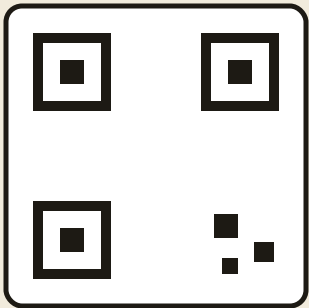

Looks like real clothes, not a gown

Everyday styles that help people feel like themselves.

Made across many needs

Styles for dialysis, infusion, mastectomy recovery, surgery, and beyond.
